

# Ruzeilawati Wasi'atu Lathifah

Available for new project remotely

Jakarta, Indonesia • **Email:** [ruzeilawl@gmail.com](mailto:ruzeilawl@gmail.com) • **LinkedIn:** [ruzeilawatiwl](#) • **Portfolio:** [ruzeila.wixsite.com/design](https://ruzeila.wixsite.com/design)

## Summary

A more than 4 years of experience designer with landscape architecture roots who is delving into human-centred design. Well-versed in tackling a wide range of design challenges and supervising a team of 12 designers. Also, analysing and benchmarking issues to optimise product performance at Ruangguru. Thrilling to have received the Most Human-Centric of Roboguru CHIEF Award in June 2021 and March 2023.

## Core Competencies

**Hard skills:** Figma, Adobe Illustrator, Adobe Photoshop, Google Suites

**Soft skills:** Continuous development, analytical thinking, time management, problem-solving, interpersonal communication

## Experience

### PT RUANG RAYA INDONESIA (RUANGGURU)

#### Senior Graphic Designer

October 2021 - present (3 years 5 months +)

Jakarta, Indonesia

**Demonstrated Team Management:**

- Supervised the Roboguru team with up to 12 designers to devise illustration assets, brand design, marketing, and sales content
- Monitored the team performance by setting their goals, 1-on-1 meetings, and review
- Benchmarked strategic and design issues to optimise product performance
- Enhanced team skills through boot camp, sharing sessions, and online course recommendations
- Promoted to Senior Graphic Designer
- Awarded as the Most Human-Centric of Roboguru CHIEF Award in March 2023

**Proven Graphic Design Expertise:**

- Designed creative guidelines to maintain style consistency in both educational illustration, marketing, and brand
- Crafted educational illustration assets and other design needs with an average of 43 designs per month and less than 7% revision overall
- Collaborated with teammates from business and creative marketing teams to gain more awareness and engagement through graphic design for any deliverables

### PT RUANG RAYA INDONESIA (RUANGGURU)

#### Graphic Designer — Person in Charge

February - September 2021 (8 months)

Jakarta, Indonesia

**Demonstrated Team Management:**

- Directed two teams of Roboguru and Ruanguji with up to 11 designers to create and manage illustration assets
- Built project tracker to help other teams and designers keep on the timeline with sheet formulas
- Facilitated graphic design boot camp for team's skills improvement
- Awarded as the Most Human-Centric of Roboguru CHIEF Award in June 2021

**Proven Graphic Design Expertise:**

- Coordinated with teammates from Research and Development and the K12 graphic design team to sync and build design guidelines for Roboguru's needs
- Illustrated 3053 educational illustration assets for video solution projects and exam projects with around 2-7% revision overall
